

(This tender aims for already enlisted contractors for this work with HOCL Kochi Unit. Any new contractor who wish to empanel for this work shall submit their credentials so that they will be evaluated and pre qualified and shall be considered for similar work in future)

REQUEST FOR QUOTATION

RFQ No. :
Collective RFQ No.: 2340/
Date : 20.11.2018
Contact Person : P.Selvendran
Due Date/Time : 14.12.2018,14:00:00 Hrs
Opening Date/Time : 14.12.2018,15:00:00 Hrs

Date :20.11.2018

SERVICES REQUIRED AT:

M/s. Hindustan Organic Chemicals Limited,
P. O. Ambalamugal, Kochi-682302,
Kerala, India.

Dear Sirs,

Subject:Relay Testing 2019

1. Sealed quotations in duplicate are invited by **Hindustan Organic Chemicals Limited, Ambalamugal** for the works as detailed below. A set of tender documents is enclosed for submitting your quotation.

2. Name of Work: Relay Testing 2019

. A brief description of the scope of work is given separately which is attached herewith.

3. Last Date of Receipt of Quotations: Tenders will be received at the office of General Manager (P&A), Hindustan Organic Chemicals Limited, Ambalamugal on or before **14.12.2018** up to **14:00:00 Hrs**. Bids received after the due date will not be considered.

4. Earnest Money Deposit: Nil.

5. Cost of Tender Documents: Nil.

6. Submission of Quotations

6.1 Single Bid System

Bidders shall submit their offer in one sealed envelope duly signed and to superscribe as given in 6.2. Envelope shall contain Earnest Money Deposit (if any, see Note No. 4 above)

and shall sign on all pages of the offer, this RFQ and details asked for, including pre-qualification (if any) along with a forwarding letter containing all schemes with all technical details, supporting documents, drawings and technical & commercial deviations (if any), and price details duly signed and sealed on all pages.

6.2 Sealed envelope shall be superscribed with Enquiry No. and Offer for Relay Testing 2019

. **Due Date: 14.12.2018** up to **14:00:00 Hrs** and shall be submitted to **General Manager (P&A), Hindustan Organic Chemicals Limited, Ambalamugal, PIN - 682302, Ernakulam District, Kerala State, India** by post or deposited in the Tender Box kept in our Administrative Building. Bidders shall print their addresses on all envelopes. Late quotations will not be entertained.

6.3 Bidders shall go through all documents attached to the quotation and fill in the blank spaces provided for and submit the same duly signed and dated. Quotation should be completed in all respects and in accordance with the various terms and conditions specified in the enquiry documents. Incomplete quotations are liable to be rejected.

7. Rates

Goods and Service Tax(GST) applicable shall be paid extra, to those who have GSTIN registration, unless otherwise specified elsewhere.

The Tenderer should quote the rates in English both in figures as well as in words. Offers received without the rates in figures and in words are liable for rejection. In case of discrepancy exists between the rates quoted in figures and words, the rates quoted in words will prevail.

8. ESI, PF, Labour Law, SHE (Safety, Health & Environment) etc. # Requirements

Refer Annexure A, B and C attached.

9. Engineer/Officer In-Charge:

Sujith.P.M, DME

PH:04842727226

10. Defect Liability Period

12 months from the date of completion of work.

11. Payment Terms

90% payment will be released after completion of work and after receiving two sets of final test reports. Balance 10% will be released after defect liability period is over.

12. Validity of Offer

The offer shall be valid for a period of 90 days from the last date of submission of tenders. The successful tenders shall sign the **"Form of Rate List"** or execute an agreement in non-judicial stamp paper of appropriate value (to be borne by the contractor) within 21 days from the date of issue of letter of acceptance.

13. Security Deposit

Nil

14. Liquidated Damages

LD shall be @ 0.5% per week of the order value subject to a maximum of 5% of the order value, provided the delay is attributable by the party.

16. Period of Contract

12 Months from issue of work order

15. Scope of Supply

MATERIAL:-

Contractor's Scope of Supply: - NIL

Installation of spares given by HOCL will have to be done by the party free of cost.

HOCL Scope of Supply: - All essential spares required for minor repairing will be arranged by HOCL.

TOOLS & TACKLES:-

Contractor's Scope: - All tools & tackles required for the work are to be arranged by the contractor.

HOCL's Scope : - NIL

17. Time of Completion

Work shall be commenced within one month after issuing the work order OR as directed by Engineer In charge. Entire work has to be completed within three months from date of starting the work.

18. Contract Preference

Contract / Price Preference or any other concessions applicable for MSME / SSI Units / PSUs will be as per latest Government of India Directives. For availing this benefit, the bidder shall make their claim in the Technical Bid itself and enclose necessary documentary evidence to prove their eligibility.

19. Other Terms & Conditions

1. The work need to be done On/Off line as per the plant operation.
2. All the equipment and Manpower required for the work are to be arranged by the contractor.
3. Records of initial reading and defects in relay (s) to be clearly mentioned in the report.
4. Injection tests should be as per manufacturer's recommendation & IS3231
5. Relays should be fixed in the position as per original settings after testing.
6. 12 Months guarantee for the workmanship shall be given.
7. Quantity may vary either side (may increase/may decrease).
8. A soft copy is to be submitted along with the hard copy of test report.

19.1 The tenderers have to download the **GCC (General Conditions of Contract)** from our web site www.hoclkochi.com and the same has to be returned along with the technical bid duly signed and stamped in all pages. However those who wish to have a hard copy of the same, can collect from us on request. The request for extension of due date will not be entertained in any case.

19.2 In addition to Clause No. 3.7 of our GCC, the tenderers who do not meet the basic requirements (technical / commercial) as per the tender enquiry document and any other important condition having significant bearing on the cost / utility / performance of the required goods, services, etc. will be treated as unresponsive and the tender will be liable to rejection.

19.3 In case you are unable to quote, kindly send the quotation with a regret for our records. Non-receipt of a regret will adversely affect your vendor rating.

19.4 Your quotation must be strictly in enclosed envelope indicating Collective RFQ Number, RFQ Number, Due Date and Name of Work.

19.5 For all future correspondences, please mention the Collective RFQ Number and RFQ Number.

20. The tender notice may be read in conjunction with the standard **General Conditions of Contract (available in www.hoclkochi.com)**, Special Conditions of Contract, Technical Specification, Drawings and other documents forming part of this enquiry.

21. Unless otherwise stated all clauses of General Conditions of Contract and special Conditions of Contract shall generally be applicable to this contract.

Date, Time & Venue of Public Opening of Tender

Date : 14.12.2018

Time : 15:00:00 Hrs

Venue: Tender Room in Training Centre of HOCL, Ambalamugal.

Thanking You,

Yours Faithfully,

For Hindustan Organic Chemicals Limited,

P.Selvendran

Scope of Work

Scope of Work for Relay Testing -2019

The scope of work is to test all the relays in the list attached and submit the test report. The list of testing equipments/facility available may be informed. The work will have to be carried out while the equipment is in operation also. All testing instruments required should be provided and must have valid calibration certificates. The catalogues of relays will have to carry by your self. The relays will be given for testing as per the plant load condition etc. Hence the quantities may vary depending on the site conditions.

The test report (both hard and soft copy) has to be submitted as per standard format. A separate report has to be submitted for faulty relays.

The following works are involved in Testing of Relays:

Recording of initial settings.

General inspection.

Relay internal wiring checking. Defects in wiring have to be indicated in the report.

Cleaning of contacts, mechanism tightening, minor repairing/replacement of components free of cost etc.

IR value measurements.

Continuity checking of current coil and plug bridge contacts.

Secondary injection test as per manufacturers recommendation & IS-3231 After testing of relays fix them back in position as per original settings.

You shall provide guarantee for 12 months on workmanship.

The following types of relays need to be tested On/Off lines .
